Law, if Developer believes that such New City Law is in conflict with this Agreement, Developer may send written notice to the City of the alleged conflict within thirty (30) days of receipt of City's Notice of New Law ("Objection to New City Law"). Developer's Objection to New City Law shall set forth the factual and legal reasons why Developer believes City cannot apply the New City Law to the Property/Project. City shall respond to Developer's Objection to New City Law ("City Response") within thirty (30) days of receipt of said Developer Objection to New City Law. The City Response shall set forth the factual and legal reasons why City believes it can apply the New City Law to the Project. Thereafter, the Parties shall meet and confer within thirty (30) days of the date of Developer's receipt of the City Response (the "Meet and Confer Period") with the objective of attempting to arrive at a mutually acceptable solution to this disagreement. Within fifteen (15) days of the conclusion of the Meet and Confer Period, City shall make its determination, and shall send written notice to Developer of that City determination. If City determines to "impose/apply" the New City Law to the Project and Project Site, then Developer shall have a period of ninety (90) days from the date of receipt of such City determination within which to file legal action challenging such City action. In other words, a 90-day statute of limitations regarding Developer's right to judicial review of the New City Law shall commence upon Developer's receipt of City's determination following the conclusion of the Meet and Confer Period. If upon conclusion of judicial review of the New City Law (at the highest judicial level sought and granted), the reviewing court determines that Developer is not subject to the New City Law, such New City Law shall cease to be a part of the Applicable Law, and City shall return Developer to the position Developer was in prior to City's application of such New City Law (e.g., City return fees, return dedications, etc.). The above-described procedure shall not be construed to interfere with City's right to adopt or apply the New City Law with regard to all other areas of City (excluding the Project and Project Site).

(e) Developer in its sole and absolute discretion may elect to have applied to the Project and Project Site a New City Law that is not otherwise a part of the Applicable Law, subject to the limitations set forth in this subdivision (e). In the event Developer so elects to be subject to a New City Law that is not otherwise a part of the Applicable Law, Developer shall provide notice to City of that election and thereafter such New City Law shall be part of the Applicable Law. In no event shall any New City Law become part of the Applicable Law if it would relieve Developer from, or impede Developer's compliance with, Developer's obligations under this Agreement, including without limitation Developer's obligations of full Project Mitigation. Further, for the purposes of this Agreement, the "New City Laws" Developer may elect to be subject to pursuant to this Section shall not mean nor include any or all individual development agreements with other developers (including without limitation such development agreements' term and conditions, exhibits, etc.) executed before or after the Effective Date of this Agreement.

(f) City shall not be precluded from adopting and applying New City Laws to the Project to the extent that such New City Laws are specifically required to be applied by State or Federal laws or regulations, and implemented through the Federal, State, regional and/or local level) ("Mandated New City Laws"), including without limitation those provisions in the Development Agreement Statute concerning property located in a flood hazard zone (Gov. Code § 65865.5).
(g) In the event that an administrative challenge and/or legal challenge (as appropriate) to a Mandated New City Laws preventing compliance with this Agreement is brought and is successful in having the Mandated New City Law determined to not apply to this Agreement, this Agreement shall remain unmodified and in full force and effect.

ARTICLE 3
PROCESSING

3.01 Processing.

(a) This Agreement does not provide Developer with any right to the approval of Subsequent Approvals nor to develop or construct the Project beyond that which is authorized in the Existing Approvals. For any Subsequent Approvals necessary for the Project, this Agreement simply provides a process by which such Subsequent Approvals may be processed by Developer, and later included into this Agreement, if and only if such Subsequent Approvals are compliant with all controlling California law (including proper Planning and Zoning Law and CEQA compliance), have secured approval of the Parties, and are adopted/approved by City, which shall retain all lawful discretion in this regard. That public review process is ongoing, and following the City’s adoption of this Agreement, that public review process shall continue. Nothing in this Agreement shall be construed to limit the authority or obligation of City to hold necessary public hearings, nor to limit the discretion of City or any of its officers or officials with regard to the Project Approvals that legally require the exercise of discretion by City. City’s discretion as to the granting of Subsequent Approvals shall the discretion afforded by the Applicable Law.

(b) Upon submission by Developer of any and all necessary and required applications for Subsequent Approvals and payment of any and all appropriate processing and other fees as provided in this Agreement, City shall use its best efforts to promptly commence and diligently complete all steps necessary to acting on the requested Subsequent Approvals, including, but not limited to, (i) the holding of any and all required public hearings and notice for such public hearings, and (ii) the granting of the requested approval to the extent that it is consistent with Applicable Law.

3.02 Significant Actions by Third Parties Necessary to Implement the Approvals.

(a) At Developer’s sole discretion, Developer shall apply for such other permits, grants of authority, agreements, and other approvals from other private and/or public and quasi-public agencies, organizations, associations or other entities ("Other Entity") as may be necessary to the development of, or the provision of services and facilities to, the Project ("Other Permits").

(b) City shall cooperate with Developer in its endeavors to obtain any Other Permits and shall, from time to time, at the request of Developer, join with Developer in the execution of such permit applications and agreements as may be required to be entered into with any such other agency.

(c) In the event that any such Other Permit is not obtained from an Other Entity within the time permitted by law for such other entity to act and such circumstance
materially deprives Developer of the ability to proceed with development of the Project or any portion thereof, or materially deprives City of a bargained-for public benefit of this Agreement, then, in such case, and at the election of either party, Developer and City shall meet and confer with the objective of attempting to mutually agree on solutions that may include alternatives, Subsequent Approvals, or an amendment(s) to this Agreement to allow the development of the Project to proceed with each Party substantially realizing its bargained-for benefit therefrom.

3.03 Administrative Amendments.

Upon the written request of Developer for an amendment or modification of this Agreement or a Project Approval, the City Community Development Director ("Community Development Director") or his designee shall determine: (1) whether the requested amendment or modification is minor; and (2) whether the requested amendment or modification is consistent with this Agreement and the Applicable Law. If the Community Development Director or his designee finds that the proposed amendment or modification is both minor and consistent with this Agreement and the Applicable Law, the Community Development Director or his designee may approve the proposed amendment or modification without notice and public hearing. Such minor amendments or modifications approved pursuant to this Section shall not constitute subsequent discretionary approvals subject to further CEQA review.

3.04 Non-Administrative Amendments.

Any request by Developer for an amendment or modification to this Agreement or a Project Approval that is determined to be not minor by the Community Development Director or his designee shall be subject to the applicable substantive and procedural provisions of the City’s General Plan, zoning, subdivision, and other applicable land use ordinances and regulations (i.e., City review and approval) in effect when such an amendment or modification request is approved.

ARTICLE 4
DEFAULT, VALIDITY PROVISIONS, ASSIGNMENT

4.01 Defaults.

(a) Any failure by City or Developer to perform any material term or provision of this Agreement, which failure continues uncured for a period of sixty (60) days (or 150 days for a Mortgagee (as that term is defined in Section 4.10)) following written notice of such failure from the other Party (unless such period is extended by written mutual consent) ("Notice of Default"), shall constitute a default under this Agreement ("Default"). Any Notice of Default shall specify the nature of the alleged failure and, where appropriate, the manner in which such alleged failure satisfactorily may be cured. If the nature of the alleged failure is such that it cannot reasonably be cured within such 60-day period (or 150 days for a Mortgagee), then the commencement of the cure within such time period, and the diligent prosecution to completion of the cure thereafter, shall be deemed to be a cure within such 60-day period (or 150 days for a Mortgagee). If the alleged failure is cured, then no Default shall exist and the noticing Party shall take no further action. If the alleged failure is not cured, then a Default shall exist.
under this Agreement and the non-defaulting Party may exercise any of the remedies available under this Article.

(b) No failure or delay in giving notice of default shall constitute a waiver of default; provided, however, that the provision of written notice and opportunity to cure shall nevertheless be a prerequisite to the enforcement or correction of any default. Waiver of a breach or default under this Agreement shall not constitute a continuing waiver or a waiver of a subsequent breach of the same or any other provision of this Agreement.

4.02 Actions During Cure Period.

(a) During any cure period and during any period prior to any delivery of notice of failure or default, the Party charged shall not be considered in default for purposes of this Agreement. If there is a dispute regarding the existence of a default, the Parties shall otherwise continue to perform their obligations hereunder, to the maximum extent practicable in light of the disputed matter and pending its resolution or formal termination of the Agreement as provided herein.

(b) City will continue to process in good faith development applications during any cure period, but need not approve any such application if it relates to an alleged default of Developer hereunder.

4.03 Resolution of Disputes.

(a) In the event either Party is in default under the terms of this Agreement, the other Party may elect, in its sole and absolute discretion, to pursue any of the following courses of action: (i) waive such default; (ii) pursue administrative remedies as provided herein; (iii) pursue judicial remedies as provided for herein; and/or (iv) terminate this Agreement.

(b) Except as otherwise specifically stated in this Agreement, either Party may, in addition to any other rights or remedies, institute legal action to cure, correct, or remedy any default by another Party to this Agreement, to enforce any covenant or agreement herein, to enjoin any threatened or attempted violation hereunder, or to seek specific performance. It is expressly understood and agreed that the sole legal remedy available to Developer for a breach or violation of this Agreement by City shall be a legal action in mandamus, specific performance, and/or other injunctive or declaratory relief to enforce the provisions of this Agreement, and that Developer shall not be entitled to bring an action for damages including, but not limited to, lost profits, consequential damages or other economic damages. For purposes of instituting a legal action under this Agreement, any City council determination under this Agreement shall be deemed a final agency action.

(c) The Parties agree to meet and confer regarding any dispute, in an effort to agree on utilizing Judicial Arbitration Mediation Services ("JAMS") for Alternative Dispute Resolution ("ADR"). However, no party shall be required to use JAMS or ADR.
4.04 **Annual Review.**

(a) City shall, at least every twelve (12) months during the Term of this Agreement, review the extent of good faith substantial compliance with the terms of this Agreement and Government Code section 65865.1 and Municipal Code section 16-525.110.

(b) Within thirty (30) days of Developer’s receipt of the written request of City made not more than once each year at least sixty (60) days prior to the anniversary date of this Agreement, Developer shall submit to City a letter setting forth Developer’s good faith compliance with the terms and conditions of this Agreement. Such letter shall be accompanied by such documents and other information as may be reasonably necessary and available to Developer to enable City to undertake the review of Developer’s good faith compliance with the terms of this Agreement, and shall state that such letter is submitted to City pursuant to the requirements of Government Code section 65865.1 and Municipal Code section 16-525.110.

(c) Upon receipt of the submission, City shall conduct a review of the good faith compliance by Developer with the terms of this Agreement. If City finds good faith compliance by Developer with the terms of this Agreement, the Community Development Director shall, upon request by Developer, provide to Developer written confirmation of such finding within thirty (30) days of the request.

(d) If City, on the basis of substantial evidence, finds that Developer has not complied in good faith with the terms of this Agreement, City shall notify Developer in writing and proceed in accordance with the default provisions of this Agreement.

4.05 **Force Majeure Delay, Extension of Times of Performance.**

(a) Performance by any Party hereunder shall be excused, waived or deemed not to be in default where delays or defaults are due to war, insurrection, strikes, walkouts, riots, floods, earthquakes, fires, casualties, acts of God, governmental entities other than City, enactment of conflicting State or Federal laws or regulations, or litigation (including without limitation litigation contesting the validity, or seeking the enforcement or clarification of this Agreement whether instituted by the Developer, City, or any other person or entity) (each a "Force Majeure Event").

(b) Any Party claiming a delay as a result of a Force Majeure Event shall provide the other Party with written notice of such delay and an estimated length of delay. Upon the other Party’s receipt of such notice, an extension of time shall be granted in writing for the period of the Force Majeure Event, or longer as may be mutually agreed upon by the Parties, unless the other Party objects in writing within ten (10) days after receiving the notice. In the event of such objection, the Parties shall meet and confer within thirty (30) days after the date of objection to arrive at a mutually acceptable solution to the disagreement regarding the delay. If no mutually acceptable solution is reached, any Party may take action as permitted in this Agreement.
4.06 **Third Party Legal Actions.**

(a) In the event of any administrative, legal or equitable action or other proceeding instituted by any person, entity or organization (that is not a Party to this Agreement) challenging the validity of this Agreement, any Project Approvals, or the sufficiency of any environmental review under CEQA ("Third Party Challenge"), the Parties shall cooperate with each other in good faith in the defense of any such challenge.

(b) City shall have the option to defend such Third Party Challenge or to tender the complete defense of such Third Party Challenge to the Developer ("Tender"). If City chooses to defend the Third Party Challenge or Developer refuses City’s Tender, City shall control all aspects of the defense and Developer shall pay City’s attorneys fees and costs (including related court costs).

(c) If Developer accepts City’s Tender, Developer shall control all aspects of the defense and shall pay its own attorneys fees and costs (including related court costs), and shall indemnify and hold harmless City against any and all third-party fees and costs arising out of such Third Party Challenge. If City wishes to assist Developer when Developer has accepted the Tender, Developer shall accept that assistance and City shall pay City’s own attorneys fees and costs (including related court costs) ("City Costs"), and Developer shall pay its own attorneys fees and costs (including related court costs), and shall indemnify and hold harmless City against any and all third-party fees and costs arising out of such Third Party Challenge (such third party fees and costs shall not include City Costs).

(d) If any part of this Agreement or any Project Approval is held by a court of competent jurisdiction to be invalid, the City shall: (1) use its best efforts to sustain and/or re-enact that part of this Agreement and/or Project Approval; and (2) take all steps possible to cure any inadequacies or deficiencies identified by the court in a manner consistent with the express and implied intent of this Agreement, and then adopting or re-enacting such part of this Agreement and/or Project Approval as necessary or desirable to permit execution of this Agreement and/or Project Approval.

4.07 **Estoppel Certificate.**

(a) Any Party may, at any time, and from time to time, deliver written notice to any other Party, and/or to the Developer’s lender, requesting such Party to certify in writing that, to the knowledge of the certifying Party:

1. This Agreement has not been amended or modified either orally or in writing or if so amended, identifying the amendments.

2. The Agreement is in effect and the requesting Party is not known to be in default of the performance of its obligations under this Agreement, or if in default, to describe therein the nature and amount of any such defaults.

(b) This written certification shall be known as an "Estoppel Certificate." A Party receiving a request hereunder shall execute and return such Estoppel Certificate within ten (10) days following the receipt of the request, unless the Party, in order to determine the
appropriateness of the Estoppel Certificate, promptly commences and proceeds to conclude an Annual Review. The Parties acknowledge that an Estoppel Certificate may be relied upon by Assignees and other persons having an interest in the Project, including holders of mortgages and deeds of trust. The City Manager shall be authorized to execute an Estoppel Certificate for City.

(c) If a Party fails to deliver an Estoppel Certificate within the ten (10) day period, as provided for in Section 4.07(a) above, the Party requesting the Estoppel Certificate may deliver a second notice (the "Second Notice") to the other Party stating that the failure to deliver the Estoppel Certificate within ten (10) working days following the receipt of the Second Notice shall constitute conclusive evidence that this Agreement is without modification and there are no unexcused defaults in the performance of the requesting Party. Failure to deliver the requested Estoppel Certificate within the ten (10) working day period shall then constitute conclusive evidence that this Agreement is in full force and effect without modification and there are no unexcused defaults in the performance of the requesting Party.

4.08 Assignment/Covenants Run with the Land.

(a) Right to Assign. Developer shall have the right to sell, assign, or transfer this Agreement with all its rights, title and interests therein to any person, firm or corporation at any time during the term of this Agreement ("Assignee"). Developer shall provide City with written notice of any assignment or transfer of all or a portion of the Property no later than thirty (30) days prior to such action. Any proposed assignment shall be subject to the express written consent of City, which consent shall not be unreasonably withheld, delayed or conditioned. City’s approval of a proposed assignment or transfer shall be based upon the proposed assignee’s reputation, experience, financial resources and access to credit and capability to successfully carry out the development of the Property to completion. In addition, express written assumption by an Assignee, to the satisfaction of the City Attorney, of the obligations and other terms and conditions of this Agreement with respect to the Property or such portion thereof sold, assigned or transferred, shall relieve Developer of such obligations so assumed. Any such assumption of Developer’s obligations under this Agreement shall be deemed to be to the satisfaction of the City Attorney if executed in the form of the Assignment and Assumption Agreement attached hereto as Exhibit D or such other form as may be approved by the City Attorney.

(b) Release Upon Assignment. Upon assignment, in whole or in part, and the express written assumption by the Assignee of such assignment, of Developer’s rights and interests under this Agreement, Developer shall be released from its obligations with respect to the Project Site/Project, and any lot, parcel, or portion thereof so assigned to the extent arising subsequent to the effective date of such assignment. A default by any Assignee shall only affect that portion of the Project Site/Project owned by such Assignee and shall not cancel or diminish in any way Developer’s rights hereunder with respect to the assigned portion of the Project Site/Project not owned by such Assignee. The Assignee shall be responsible for the reporting and annual review requirements relating to the portion of the Project Site/Project owned by such Assignee, and any amendment to this Agreement between City and Assignee shall only affect the portion of the Project Site/Project owned by such Assignee.

(c) Covenants Run with the Land. This Agreement and all of its provisions, agreements, rights, powers, standards, terms, covenants and obligations shall be binding upon the
Parties and their respective heirs, successors (by merger, consolidation, or otherwise) and assignees, devisees, administrators, representatives, lessees, and all other persons or entities acquiring the Project and/or Project Site, any lot, parcel or any portion thereof, or any interest therein, whether by sale, operation of law or in any manner whatsoever, and shall inure to the benefit of the Parties and their respective heirs, successors (by merger, consolidation or otherwise) and assigns. All of the provisions of this Agreement shall be enforceable during the Term as equitable servitudes and constitute covenants running with the land pursuant to applicable law, including, but not limited to Civil Code section 1468.

4.09 **Encumbrances on the Project Site.**

The parties hereto agree that this Agreement shall not prevent or limit Developer, in any manner, at Developer's sole and absolute discretion, from encumbering the Project Site, or any portion thereof or any improvements thereon with any Mortgage securing financing with respect to the construction, development, use or operation of the Project. Mortgagor may require certain modifications to this Agreement, and City shall negotiate in good faith any such request for modification or subordination.

4.10 **Obligations and Rights of Mortgage Lenders.**

(a) The holder of any mortgage, deed of trust or other security arrangement with respect to the Project Site, or any portion thereof ("Mortgagor"), shall not be obligated under this Agreement to construct or complete improvements or to guarantee such construction or completion, but shall otherwise be bound by all of the terms and conditions of this Agreement that pertain to the Project Site or such portion thereof in which it holds an interest.

(b) Each Mortgagor shall be entitled to receive written notice from City of results of the annual review to be done pursuant to Section 4.04 and any default by Developer under this Agreement, provided such Mortgagor has informed City of its address for notices. Each Mortgagor shall have a further right, but not an obligation, to cure such default in accordance with the default and default cure provisions in Sections 4.01, 4.02, and 4.03 of this Agreement. In the event Developer (or any permitted Assignee) becomes subject to an order for relief under any chapter of Title 11 of the United States Code (the "Bankruptcy Code"), the cure periods provided for a Mortgagor in Section 4.01(a) of this Agreement shall be tolled for so long as the automatic stay of section 362 of the Bankruptcy Code remains in effect as to Developer (or any permitted Assignee); provided, however, if City obtains relief from the automatic stay under Bankruptcy Code section 362 to declare any default by or exercise any remedies against Developer (or any permitted Assignee), the tolling of any Mortgagor's cure period shall automatically terminate on the earlier of: (i) the date that is sixty days after entry of the order granting City relief from the automatic stay, or (ii) the date of the entry of an order granting Mortgagor relief from the automatic stay. Each Mortgagor shall be entitled to receive written notice from City of the filing of any motion by City in which City seeks relief from the automatic stay of section 362 of the Bankruptcy Code to declare any default by or exercise any remedies against Developer (or any permitted Assignee).

(c) Any Mortgagor who comes into possession of the Project Site, or any portion thereof, pursuant to a foreclosure of a mortgage or a deed of trust, or deed in lieu of such
foreclosure, shall take the Project Site, or such portion thereof, subject to any pro rate claims for payments or charges against the Project Site, or such portion thereof, that have accrued prior to the time such holder comes into possession. In addition, any Mortgagee who comes into possession of the Project Site or any portion thereof, pursuant to a foreclosure of mortgage or deed of trust, or deed in lieu of such foreclosure, shall, subject to Section 4.10(a) above, be a permitted Assignee and, as such, shall succeed to all the rights, benefits and obligations of Developer under this Agreement.

(d) Nothing in this Agreement shall be deemed to construed to permit or authorize any such holder to devote the Project Site, or any portion thereof, to any uses, or to construct any improvements thereof, other than those uses and improvements provided for or authorized by this Agreement, subject to all of the terms and conditions of this Agreement.

4.11 **Large Lot Maps.**

Developer shall be entitled to employ Large Lot Maps for the purposes of subdividing the Project into parcels for the purposes of phasing, leasing, financing, construction or sale. Provided that such Large Lot Map(s) have an express condition that no development may take place from said Large Lot Map and that instead development shall take place from tentative or vesting tentative maps, then the City shall only place conditions of approval on the Large Lot Map(s) dealing with the provision of legal access easements consistent with the circulation routes as shown in the Master Plan, common usage easements, common facilities and any applicable mitigation measures. This Section is subject to Government Code section 66411.1. Developer shall not be obligated to provide any form of bond or other security to guarantee any public improvements unless and until required under the Subdivision Map Act or other controlling law.

4.12 **Compliance with Government Code Section 65867.5.**

In accordance with the requirements of Government Code section 65867.5, City and Developer agree that any tentative subdivision map(s) for the Project is hereby made subject to a condition that a sufficient water supply shall be available. Proof of the availability of a sufficient water supply shall be secured in accordance with the provisions of Government Code section 66473.7.

4.13 **Termination.**

This Agreement shall terminate upon the expiration of the Term, as set forth in Section 1.02(a), or at such other time as this Agreement is terminated in accordance with the terms hereof, whichever occurs first. Upon termination of this Agreement, the City shall record a notice of such termination, in a form satisfactory to the City Attorney and substantially as set forth in Exhibit E that the Agreement has been terminated. This Agreement shall automatically terminate and be of no further force or effect as to any single-family residence, any other residential dwelling unit(s), or any on any non-residential building, and the lot or parcel upon which such residence or building is located, when it has been approved by the City for occupancy.
ARTICLE 5

The permitted uses, density and/or intensity of use, maximum height and size of buildings and other structures, provisions for reservation or dedication of land, and other terms and conditions applicable to the Project and Project Site shall be those set forth in the Applicable Law. As Subsequent Approvals are adopted and therefore become part of the Applicable Law, the Subsequent Approvals will refine the permitted uses, density and/or intensity of use, maximum height and size of buildings and other structures, provisions for reservation or dedication of land, and other terms and conditions applicable to the Project and Project Site.

(c) Governing Law and Attorneys’ Fees. This Agreement shall be construed and enforced in accordance with the laws of the State of California. Should any legal action be brought by a Party for breach of this Agreement or to enforce any provision herein, the prevailing party of such action shall be entitled to reasonable attorneys’ fees, court costs, and such other costs as may be fixed by the court.

(d) Project as a Private Undertaking. No partnership, joint venture, or other association of any kind between Developer, on the one hand, and City on the other hand, is formed by this Agreement. The development of the Project Site is a separately undertaken private development. The only relationship between City and Developer is that of a governmental entity regulating the development of private Project Site and the owners of such private Project Site.

(e) Indemnification. Developer shall hold City, its elective and appointive boards, commissions, officers, agents, and employees, harmless from any liability for damage or claims for damage for personal injury, including death, as well as from claims for property damage which may arise from Developer's contractors, subcontractors', agents’ or employees’ operations on the project, whether such operations be by Developer or by any Developer's contractors, subcontractors, or by any one or more persons directly or indirectly employed by, or acting as agent for Developer or any of Developer's contractors or subcontractors. Developer shall indemnify and defend City and its elective and appointive boards, commissions, officers, agents and employees from any suits or actions at law or in equity for damages caused, or alleged to have been caused, by reason of any of the aforesaid operations and Developer shall pay all reasonable attorney's fees and costs that the City may incur. City does not, and shall not, waive any rights against Developer which it may have by reason of the aforesaid hold-harmless requirement of Developer because of the acceptance of improvements by City, or the deposit of security with City by Developer. The aforesaid hold-harmless requirement of Developer shall apply to all damages and claims for damages of every kind suffered, or alleged to have been suffered, by reason of any of the aforesaid operations referred to in this subsection, regardless of whether or not City has prepared, supplied or approved of, plans and/or specifications for the

562
subdivision. Notwithstanding anything herein to the contrary, Developer's indemnification of City shall not apply to the extent that such action, proceedings, demands, claims, damages, injuries or liability is based upon the active negligence of the City. Developer shall, during the life of this Agreement take out and maintain insurance coverage with an insurance carrier authorized to transact business in the State of California as will protect the Developer or any Contractor or any Subcontractor or anyone directly or indirectly employed by any of them or by anyone for whose acts any of them may be liable, from claims for damages because of bodily injury, sickness, disease, or death of their employees or any person other than their employees, or for damages because of injury to or destruction of tangible property, including loss of use resulting therefrom. (f) Interpretation/Construction. This Agreement has been reviewed and revised by legal counsel for both Developer and City, and any rule or presumption that ambiguities shall be construed against the drafting Party shall not apply to the interpretation or enforcement of this Agreement. The standard of review of the validity and meaning of this Agreement shall be that accorded legislative acts of City.
