FROM: J. Gordon Palmer, Jr., City Manager

SUBJECT: PLANNING COMMISSION APPOINTMENTS

RECOMMENDATION

It is recommended that the City Council adopt a resolution ratifying the appointments to the Planning Commission. The following appointments have been recommended by Mayor Ann Johnston, Vice Mayor Katherine Miller, Councilmember Diana Lowery and Councilmember Dale Fritchen for the terms commencing immediately and ending January 31, 2013:

   a)   Randall Hatch, At Large Member
   b)   Sandra Davis, Council District 2
   c)   Edward Surritt, Council District 4
   d)   Samuel Fant, Council District 6

DISCUSSION

Background

Stockton City Charter Article XXIV requires that each Councilmember nominate a candidate from the district he/she represents; the Mayor nominates an at-large candidate; and the City Council ratifies the appointments. The term of office will expire January 31, 2013.

Present Situation

On January 31, 2009 there were four vacancies on the Planning Commission due to the expiration of the terms of Mark Martinez, Dwight Williams, Gloria Johnson, and Ronald Jones. Thirty applications were received to fill these positions and were considered by Mayor Ann Johnston, Vice Mayor Katherine Miller, Councilmember Diana Lowery and Councilmember Dale Fritchen. The following applicants have been recommended for appointment to the commission: Randall Hatch, At Large Member; Sandra Davis, Council District 2; Edward Surritt, Council District 4; and, Samuel Fant, Council District 6 for four-year terms that will expire on January 31, 2013.

The Planning Commission is a seven-member citizen body, and charged with administering the General Plan; administering and interpreting current and advanced planning projects, zoning and Use Permit hearings, neighborhood analysis and land use studies, environmental impact reviews; preparing, adopting and interpreting a
comprehensive long-range General Plan which serves as a guide for orderly, responsible development of the City and any land outside its boundaries that affect planning of the City; and, serves as an advisory body to the City Council making recommendations on the General Plan, zoning, code changes, specific plans for streets and highways, redevelopment plans, and conformity of capital improvements with the General Plan.

The Planning Commission meets the second and fourth Thursday of each month in City Hall. Members are appointed for four-year terms of office, unless a vacancy occurs.

FINANCIAL SUMMARY

There is no financial impact to the City's departments from this action.

Respectfully submitted,

J. GORDON PALMER, JR.

Honorable Katherine Miller  
Vice Mayor  
425 N. El Dorado Street  
Stockton, CA 95202

Dear Councilmember Miller,

My name is Sandra Davis and I am seeking a seat on the City of Stockton’s Planning Commission. I have lived in Stockton since 1986. I served for 22 years as both manager and Administrator at San Joaquin General Hospital. Currently, I serve as an adjunct Professor at the University Of Phoenix and the Chief Executive Officer of Healthcare Insight my small business. My experience and education support my qualifications for nomination to the City of Stockton’s Planning Commission.

My work experience as a county administrator gave me the privilege to directly oversee projects that included large scale development, and redevelopment land-use issues as well as manage and allocate millions in funding throughout my career. My experience within government institutions has also taught me that in tight monetary times planning is the most important aspect of any project. Two examples of large projects that I had direct, hands on experience are the design and building of the San Joaquin General Hospital replacement project over a span of many years. Another example of detail planning and forecasting included a twenty six thousand square foot health clinic that opened in 1998.

My education has taught me the importance of research and informed decision making skills. Outlining and understanding the issues facing District 2 as well as the characteristics and boundaries of the region is the key to planning. Stockton is estimated to encounter tremendous growth in future years. As business owners and government officials we need to be able to use smart growth practices that accommodate the changing demographics.

My life experience has provided me with the opportunity to travel throughout the world and examine the workings of developing cities. As a resident and a business owner, I recognize the importance of civic engagement and look forward to continuing my long and successful service to the community by serving on the Planning Commission. As a member of the Planning Commission, I plan to utilize the resources at hand to make Stockton a city where all its inhabitants can live, work and play.

Sincerely,

[Signature]
