STOCKTON CITY COUNCIL

RESOLUTION AUTHORIZING THE PURCHASE OF A TRUCK MOUNTED SEWER CLEANER (PUR 69-008)

Stockton Municipal Code ("SMC") section 3.68.070 provides for an exception to the competitive bidding requirements for purchases in cases where the City Council has approved findings that support and justify exceptions to the competitive bidding process; now, therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. The City Council hereby approves the following findings to support the purchase of one (1) Truck Mounted Sewer Cleaner from Municipal Maintenance Equipment (MME):
   a. Staff research of the market revealed that a new truck mounted sewer cleaner has an average selling price of $345,000.
   b. MME is offering the unit to the City of Stockton for $303,877, which includes all normally required add-ons. In addition, they are including add-ons that are normally purchased after-the-fact. The City will realize an average savings of $42,000 because of this offer.
   c. Arrangements have been made to obtain this vehicle within a 30-day period; thus, reducing downtime for City Staff while waiting for a new vehicle to be delivered, which would normally take nine months.
   d. This offer is for a limited time only and will expire on July 31, 2009.
2. Based on these findings and pursuant to SMC section 3.68.070, the City Council declares an exception to the competitive bidding process is justified and authorizes the City Manager, on behalf of the City of Stockton, to purchase one (1) Truck Mounted Sewer Cleaner from MME in the amount of $303,877.

3. The City Manager is authorized to take such other actions as are appropriate and necessary to carry out the purpose and intent of this Resolution.

PASSED, APPROVED, and ADOPTED JUL 28 2009

ANN JOHNSTON
Mayor of the City of Stockton

ATTEST:

KATHERINE GONG MEISSNER
City Clerk of the City of Stockton
