June 28, 2005

TO: Mayor and City Council
FROM: Public Works Department
SUBJECT: RESOLUTIONS: STORM DRAINAGE BASIN MAINTENANCE DISTRICTS

RECOMMENDATION

It is recommended that five resolutions be adopted which will provide preliminary approval of the proposed budgets and set the time and place for a public hearing to occur on July 12, 2005, for all of the following districts:

1. Charter Way Industrial Site Storm Drainage Basin Maintenance District, Project No. 86-4
2. Arch Road Industrial Park Storm Drainage Basin Maintenance District, Project No. 84-2
3. Western Pacific Industrial Park Storm Drainage Basin Maintenance District, Project No. 81-1
4. Stockton Airport Business Center Storm Drainage Basin Maintenance District, Project No. 84-1
5. Airport Gateway Center Storm Drainage Basin Maintenance District

Summary

The City Council by passing the five resolutions tonight will preliminarily approve of the proposed budgets for the storm drain basin maintenance districts, set the date for the public hearing for July 12, 2005, and direct that a public notice be published in The Record a minimum of 10 days prior to the public hearing.

DISCUSSION

The City Council, pursuant to various resolutions in previous years, ordered the formation of five storm drainage basin maintenance districts (Exhibit A). These storm drainage basins are all located in industrial areas. As a condition of their subdivision agreements, development was required to form a maintenance district to maintain the storm drainage basins. This maintenance includes spraying for weeds and rodents, maintenance of fences, and general upkeep of the basin. The City, as is standard, maintains the storm pump stations but not the basins.

Tonight’s action is relative to the Charter Way Industrial Site, Arch Road Industrial Park, Western Pacific Industrial Park, Stockton Airport Business Center, and Airport Gateway Center Storm Drainage Basin Maintenance Districts. Attached as Exhibit B are the
RESOLUTIONS: STORM DRAINAGE BASIN MAINTENANCE DISTRICTS (Page 2)

proposed 2005-2006 budgets for the maintenance districts. The proposed budgets include the maintenance district engineering fee, attorney's fee, estimated pond (basin) maintenance work, City of Stockton administrative costs, and a contingency.

By approving the five resolutions tonight, the City Council will: (1) provide preliminary approval and confirm the proposed budgets for the maintenance of the improvements for the above listed maintenance districts for the 2005-2006 fiscal year; and, (2) set the date of July 12, 2005, for the respective public hearings for the final approval of the proposed budgets for all of the districts, (3) direct that a public notice be published in The Record a minimum of 10 days prior to the public hearing.

FINANCIAL SUMMARY

The proposed 2005-2006 annual assessment rate for the Charter Way Industrial Site, Arch Road Industrial Park, Western Pacific Industrial Park, and Stockton Airport Business Center Districts will remain at the same level as the 2004-2005 annual assessment.

The assessment for the Airport Gateway Center District contains a provision for a cost of living adjustment (COLA). This adjustment is three percent (3%) or the percentage increase of the local consumer price index (CPI) whichever is greater. The 3% figure will be used to determine the maximum allowable assessment. The actual 2004-2005 assessment was $100.84/acre. The maximum allowable 2005-2006 assessment is $182.19/acre. The proposed actual 2005-2006 assessment is $101.40/acre.

The City makes no financial contribution to any of the Districts. All fees, costs, and expenses incurred will be payable solely from the proceeds of the annual assessments to be levied.

PREPARED BY: Kenneth L. Moeckel

Respectfully submitted,

KENNETH L. MOECKEL
SENIOR CIVIL ENGINEER

RESOLUTION OF PRELIMINARY APPROVAL OF PROPOSED BUDGET AND
SETTING TIME AND PLACE OF HEARING THEREON

CHARTER WAY INDUSTRIAL SITE STORM DRAINAGE
BASIN MAINTENANCE DISTRICT

WHEREAS, the Council, pursuant to proceedings under its Resolution of Intention No. 1059, adopted July 28, 1986, ordered the formation of a maintenance districted designated as “Charter Way Industrial Site Storm Drainage Basin Maintenance District,” as described in, and in accordance with such Resolution on file in the office of the City Clerk of said City, reference to which is hereby made for further particulars; and referred the maintenance of the improvements to the Engineer of Work of the City for the preparation of a proposed budget to be filed with the City Clerk, showing the anticipated annual cost of the maintenance of the improvements; and

WHEREAS, the Engineer of Work has made and filed with the City Clerk of the City a proposed budget in the net sum of $13,000 for the ensuing fiscal year, which proposed budget has been presented to this Council for consideration; and

WHEREAS, the Council has duly considered the proposed budget and the assessments proposed for the maintenance of the improvements, and finds that the proposed budget is sufficient, and that neither the budget, nor any part thereof, requires or should be modified in any respect; now, therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. The proposed budget for the maintenance of the improvements for the fiscal year 2005-2006 is hereby, preliminarily, approved and confirmed.

2. The Engineer's estimate of the itemized and total costs and expenses of the maintenance and of the incidental expenses in connection therewith, contained in the proposed budget be, and each of them are, hereby, preliminarily, approved and confirmed.

3. On Tuesday, July 12, 2005, at the hour of 5:30 p.m. in the regular meeting place of the Council, Council Chambers, City Hall, Stockton, California, be, and the same are hereby appointed and fixed as the time and place when and where the Council will consider and finally act upon the proposed budget, provided that the Council may change such time to a later time as it shall determine.

City Atty: ____________________________
Review Date: 6/2/2005
4. The City Clerk shall publish once in The Record, a newspaper of general circulation, at least ten (10) days before the hearing date, notice of the preliminary approval of the proposed budget, which notice shall contain: a statement of the time, place, and purpose of the hearing on the proposed budget; a statement of the total estimated cost of the annual maintenance of the improvements; a reference to the report on file in the City Clerk, which shows the amount, as shown by the proposed budget, to be assessed against each parcel in the district; a statement that any person interested may file a protest in writing as provided in the Stockton Improvement Procedure Code; and that the Department of Public Works, Ken Moeckel, telephone number (209) 937-8381, is the local department and person designated by this Council to answer inquiries regarding the proposed budget and protest proceedings.
