The Central Parking District Advisory Board is comprised of seven representatives from the business community located in the Central Parking Assessment District. This Board meets periodically throughout the year to discuss parking matters and to make recommendations to the City Council concerning proposed assessment rate and fee increases or other policy changes as needed. It is recommended the City Council appoint Mahesh Ranchhod to the Central Parking District Advisory Board for a term of service commencing immediately through September 30, 2012.

DISCUSSION

Background

Established in 1967, the Central Parking District Board (Board) serves as an advisory body to the City Council and makes recommendations on rules, rates, regulations, and development plans of the Central Parking District. Membership is limited to persons who own real property or who hold an executive officer position of a corporation that owns real property within the Central Parking District. Members are appointed to serve a term of four years with a limit of two consecutive terms.

One vacancy currently exists on the Board due to the resignation of W. Stephen Scott in February 2011. Pursuant to Membership Rules established by City Council Resolution No. 90-0668, appointments are to be made by the Board with approval of the Mayor and Stockton City Council.

Present Situation

One vacancy exists due to the resignation of W. Stephen Scott in February 2011, and the recruitment to fill the vacancy began on February 10, 2011 and closed March 4, 2011. Due to the number of applications received being less than the required number, a second

recruitment began May 18, 2011 and closed June 7, 2011. The recruitments were advertised in The Record on February 18, 2011, a copy of which is attached as Exhibit A, notices were posted at City Hall, the Community Development posting boards, and the Central Parking District office; and press releases were issued by the City’s Public Information Officer. Two applications were received by the second deadline to fill the current vacancies.

Upon approval from the City Clerk’s Office after the two advertisements were placed by the Clerk, it was determined to go forward with the two applications to the Central Parking Advisory Board for approval. The next available Board meeting scheduled on July 13, 2011, was canceled due to no quorum of the Board. The next meeting was held on August 24, 2011, recommending that Mahesh Ranchhod be appointed to fulfill the vacancy on the Board.

Staff has confirmed that Mahesh Ranchhod is an owner of real estate within the Central Parking District, and is Executive Director of the Downtown Stockton Alliance, as required by membership rules established by Council resolution. Per the attached letter from Wendy Saunders, Secretary to the Central Parking District Advisory Board, the Board recommends the appointment of Mahesh Ranchhod, to fill the vacancy commencing immediately and terminating September 30, 2012.

FINANCIAL SUMMARY

There is no financial impact to the City as a result of this appointment.
