AGENDA ITEM 15.01
November 15, 2011

TO: Mayor and City Council

FROM: Bonnie Paige, City Clerk

SUBJECT: RESOLUTION FILLING ONE VACANCY ON THE SAN JOAQUIN COUNTY MOSQUITO AND VECTOR CONTROL DISTRICT BOARD

RECOMMENDATION

It is recommended that the City Council adopt a resolution to appoint one commissioner to fill the vacancy on the San Joaquin County Mosquito and Vector Control District Board for a term commencing January 2, 2012 and ending either in two years on December 31, 2014 or four years on December 31, 2016, at the Council’s discretion as outlined in the California Health and Safety Code SEC 2024.

Summary

There is one vacancy on the San Joaquin County Mosquito and Vector Control District Board created by the expiring term on December 31, 2011 of the City’s appointed commission member. In accordance with Council Policy 100-2, City Council and Mayoral Appointments to Boards, Commissions, and Committees, Step 1 of the process requires the City Clerk to conduct the applicant interviews, which were held on October 20, 2011. Two applications were received and two applicants were interviewed. The interviews were streamed live, so that interviews could be viewed live or through the archive by the members of the City Council before tonight’s meeting. Step 2, which is the City Council appointment process, is scheduled for this evening.

DISCUSSION

Background

The function of the San Joaquin County Mosquito and Vector Control Board is to provide direction and governance to the District concerning the control of vectors, such as mosquitoes and ticks, and vector-borne diseases, such as West Nile virus and Lyme. Control services are provided to all lands, both private and public, within San Joaquin County and its political subdivisions. The four year term of Allan Fetters expires on December 31, 2011, which created the vacancy we are seeking to fill this evening.

The City Clerk’s Office initiated the recruitment process to fill the vacancy, opening the recruitment period on September 15, 2011 and closing on October 6, 2011. The vacancy announcement was posted on the City’s Boards and Commissions web page, and hard copies of the notices were posted on the City’s public posting boards. A request to publish a public service announcement was sent to the Record, and the local

Chambers of Commerce, City Council members, and other City staff, were notified of the vacancy announcement via email.

Council Policy 100-2 requires there be one more applicant than there are vacancies to be filled. By the close of the recruitment period, two applications were received to fill the one vacant position.

Pursuant to Council Policy 100-2, City Council and Mayoral Appointments to Boards, Commissions, and Committees, a two-step interview and appointment process is used to fill current vacancies on boards and commissions, which is as follows:

1. The City Clerk conducts the initial applicant interviews, which are video streamed live so that the Council can view the live stream or view it from the archive; and

2. The Council makes the appointment at a regularly scheduled Council meeting.

The City Clerk’s Office conducted the interviews on Thursday, October 20, 2011 using a list of prepared questions approved by the San Joaquin County Mosquito and Vector Control District, Mayor, and City Manager’s Office. The following candidates were interviewed:

1. Gary Lambdin
2. Trudy Reed

Present Situation

The applicants were notified of tonight’s meeting; however, their attendance is not mandatory unless any Councilmember had additional questions of an applicant(s). If additional questions are asked of the applicants, the City Attorney has confirmed that the same question or questions do not need to be posed to all applicants. Being that no member of the City Council indicated to the City Clerk prior to tonight’s meeting a desire to ask additional questions of any of the applicants, the City Council will proceed with the following method for appointment pursuant to Council Policy 100-2:

1. The name of each applicant shall be read alphabetically by the City Clerk and each councilmember may vote for only one applicant during a round of voting.

2. This process shall continue until one applicant receives four or more votes.

3. If the applicant receives four or more votes, that applicant is appointed.

4. If no applicant receives the minimum four votes, then those applicants receiving the highest number of votes (must be at least two applicants) shall continue to be considered. In the event of a tie or deadlock, then those applicants so tied or are

185

(Page 3)

in the deadlock shall continue to be considered. If the same tie vote or deadlock continues to exist after three rounds of voting, the Council will follow Robert’s Rules of Order and resolve the matter by making a motion other than to appoint an applicant.

The City Clerk will present the resolution upon appointment of the individual selected.

FINANCIAL SUMMARY

There is no financial impact to the City as a result of this appointment.

Respectfully submitted,

Bonnie Paige
